

# Student Bank/Allowance Options

*There are times when a boarding student will need spending money while at Christ School. They will have the opportunity to take trips to the movies, Target, Walmart, and the Mall just to name a few.*

**There are 2 options for parents to choose from in order for students to have spending money for the above instances.**

1. A bank debit card – this is becoming our most popular option. A debit card can be procured from your bank at home and you will be able to make deposits into or withdrawals from the account at your convenience. The debit card has proven convenient for parents as they are able to manage the funds in and out of the account in a timely fashion. The debit card can be utilized at most off campus destinations and there are numerous trips off campus weekly if a student needs to visit an ATM machine to obtain cash.
2. Christ School Allowance - This is a service we provide in order to issue an allowance to students on a weekly basis. The typical allowance is \$20.00 per week and a check for \$400.00 will usually suffice for allowances for first semester. Based on your son's needs, you may choose to deposit more/less for a larger/smaller weekly allowance. The Bookstore will distribute allowance on Wednesday and Thursday of each week when school is in session. The deposit for the semester may be paid by **cash** or **check** only. Credit cards cannot be used to fill or refill the allowance account and allowance will not be distributed until the cash or check is received. Your student will receive the amount designated by you each week. If you wish to change the amount of his weekly allowance, you must notify the Bookstore via email ([celmer@christschool.org](mailto:celmer@christschool.org)) by **Monday** before allowance day on Wednesday. *Please note, cash advances from this account cannot be permitted if funds are not on deposit.*

**If you have selected option Number 2 above, please enter the weekly allowance you would like for your son to receive.**                      \*Allowance \_\_\_\_\_

If you elected to provide your student with a weekly allowance, please be prepared to pay the amount on registration day in August via cash or check or feel free to mail a check before your intended arrival. Checks Payable to: Christ School Student Bank

## Student Center - Snack Bar Charge Permission Form

*The Snack Bar will be open daily after school, in the evenings and on weekends for students to purchase snacks and refreshments.*

Each Student is issued a Student ID card that they may use to purchase food in the Snack Bar. Their purchases will be billed home on your statement at the end of each month. Cash is also accepted in the Snack Bar.
