

Denis M. Stokes

Director of
External Affairs

“My objective is to appreciate you for your support and to share with you whenever I can stories about the important work that takes place here each and every day.”

To consume daily our current national news and to be living and working at Christ School these days presents a striking contrast.

While our national and world economy slowly regains its footing with starts and stalls, Christ School operates with near capacity enrollment and with a balanced budget, acknowledgment of quality and value and evidence of fiscal shrewdness. While many businesses are deferring capital improvements, Christ School points to a list of projects completed this summer:

- a new campus entryway and gatehouse—the gatehouse is the product of the Parent Council Auction, spring 2010;
- upgrades to the Dining Hall, including food court stations and a screened porch for outdoor dining;
- significant upgrades to our team locker rooms, including new lockers, flooring and ventilation;
- and, we anticipate very soon final drawings and formal bidding on a new Science Wing, with construction to begin spring 2011.

And so while we complete another successful year and anticipate the beginning of a new year, we appreciate those who generously support us, while at the same time consider our on-going needs: funding of financial aid and scholarships, academic programming second to none, and the next list of projects.

We are ever grateful for alumni who give out of love for their alma mater; for current parents who give because they are experiencing firsthand the maturing of their sons and our hand in fostering that process; and for past parents who give knowing of the influence the Christ School experience had in shaping the men their sons have become. All of which is to say—many, many thanks to all who have given this year and continue to give.

After seven years of working with Christ School families in our admission process and coming to know some alumni and benefactors during that time, I welcome the challenges of my new assignment in Advancement. My objective is to appreciate you for your support and to share with you whenever I can stories about the important work that takes place here each and every day.

Thank you for giving your time and resources but thank you especially for your devotion to this incredible place we know as Christ School.

Sincerely,

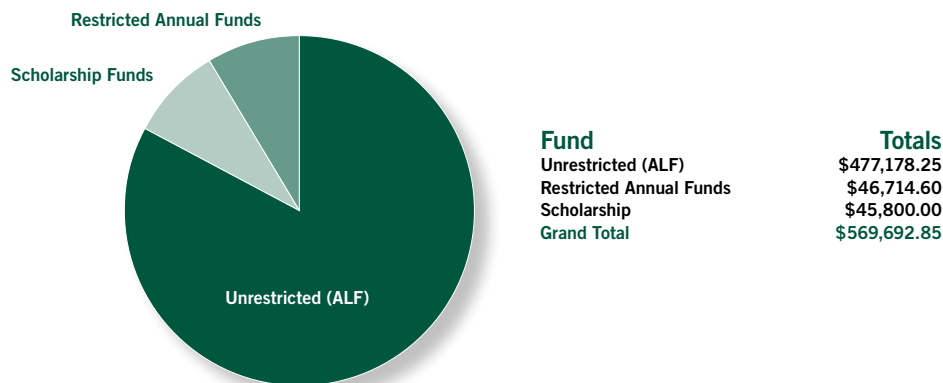

A handwritten signature in black ink, appearing to read "D. M. Stokes".

Denis M. Stokes
Director of External Affairs

Annual Giving Report

Christ School would like to thank all of those who contributed to the school during the 2009-2010 fiscal year. This important fundraising effort would not have been possible without your generosity. The Headmaster's Report for 2009-2010 recognizes gifts that were received between July 1, 2009 and June 30, 2010.

Young Angelus Society

Recognizing that young alumni are often in their early careers or still university students, we created the Young Angelus Society for those young men who choose to support Christ School with leadership gifts. The Angelus Dinner provides young alumni with a unique opportunity to meet and network with other alumni, current parents, and past parents. It is held each year following the Christ School vs. Asheville School varsity football game.

Christ School is grateful to these members of our inaugural Young Angelus Society:

Morgan Herterich '04
James Pace '04
James Matthews '05
Austin Patterson '08

Young Angelus Gift amounts are:

0 - 5 years out \$250 or more

5 - 10 years out years out \$600 or more

*Deceased alumnus

If it's between Uncle Sam and my favorite charity, guess where my IRA will go.

Did you know your retirement plan can be subject to multiple taxes that can reduce by as much as 70 percent what you plan to leave to your family?

There is a charitable alternative that can benefit both your family and Christ School. Make us the beneficiary of your retirement plan. Any remaining balance will come to us tax-free. Then leave other assets not subject to so many taxes (like cash, stock, or real estate) to your heirs.

We will receive a gift, and they will receive more from your estate. It's a good choice to make.

More than seventy-five alumni and friends have notified Christ School that they have included the school in their estate planning. Donors are recognized as members of the school's David Page Harris Society. Please call Christina Auch, Director of Annual Giving and Special Gifts at (828) 684-6232, ext.145 for more information.

Support the Christ School Endowment

Own one or both of William Mangum's beautiful paintings of St. Joseph's Chapel. The original painting was completed in 1987. A second painting was created after St. Joseph's Chapel was expanded in 2007.

For \$125, you can own one painting. For \$175, you can own both paintings. In either case, 100% of the amount will go directly to the Christ School endowment!

Please contact the Christ School Advancement Office at 828-684-6232 to participate in this special opportunity.

Don't see your name in the Annual Report?

*Listed names are for contributions received between July 1, 2009 and June 30, 2010.
Call the Advancement Office at 828-684-6232 extension 103 with questions or errors.*

Where are the Class notes?

Babies, good friends catching up, new alumni restaurant, don't miss them. Due to the space restrictions with the Annual Report the class notes will be online this time at www.christschool.org.
