Dear Alumni, Parents and Friends,

Your support of Christ School at this moment in School history makes the difference between a deeply rich Christ School experience, and an experience less complete. Simply put, your support allows us to thrive.

Consider the benefits from this year of giving:

- A ten-year commitment through a Donor Advised Fund to underwrite our community service program operations; this from a parent whose son attended more than ten years ago.

- Three major gifts to support construction of the Mebane Science Center. Each donor has a son who is a member of the Class of 2011.

- A sizable unsolicited bequest from an alumnus, to be used at the school’s discretion.

- A grant from the Benedict Foundation for the Mebane Science Center. The foundation’s purpose is to support independent schools, while specifically recognizing soundness of management and leadership.

- Increased support from all giving constituencies – alumni, current parents, past parents and friends of Christ School.

I look forward to seeing you on campus or at an upcoming gathering; it will be good to thank you in person for your support. Until then, Go Greenies!

Sincerely,

Denis M. Stokes
Director of External Affairs
Christ School thanks all those who contributed to the school during the 2010-2011 fiscal year. The success of our annual giving would not have been possible without your generosity. This Headmaster’s Report recognizes gifts received between July 1, 2010 and June 30, 2011.
