

Gentlemen,

Life seems to have turned upside down. We are all used to being in control – now the world has intervened, and has put us entirely out of control. Let me say that I speak for all of your teachers, houseparents, coaches, and advisors here at Christ School, we miss you, we miss the hell out of you. It is not fair that boys are not shooting hoops on Krieger Court, it is not fair that Mr. Dowling isn't making announcements in Assembly, it is not fair that we cannot hear Senior Speeches, it is not fair to see empty athletic fields, and it is not fair that your voices, presence, and laughter cannot be heard. I am incredibly sad. There is no school if the boys, you, are not here.

I hope and pray that the world situation changes and we can reconvene and enjoy our bond. Students talk often about "The Brotherhood," that bond between all of you which is so strong and important. Well, there is also a bond, a significant bond, between our Faculty and you. Maybe we don't talk about that enough. No other school has the connection and love that we have towards each other. It sounds corny, but it's true and we all know it. We miss each other. Enough said.

Moving forward. I am hoping against hope that we can reopen. I am looking daily into that possibly and will keep you informed. In the meantime, I want to let you know what you can count on.

- There are a dozen or so Senior Speeches left. Some seniors are coming to campus to have them videoed and we will send them to you. Others, who cannot make it, will tape them at home and send them to us and we will forward to you.
- Tapping will be live-streamed - Since you may not be here, we will be creative in how the ceremony unfolds. Date: TBD
- We will have an occasional Assembly and Chapel which we will video and send to you.
- There will also be some interesting and creative things that will come your way – Be ready.

Please email, text, or call me with any questions, comments, or suggestions. I will send you regular updates as we go forward.

God Bless and Go Green....

Paul M. Krieger
